

# Lifting UP our Neighbors

## ABOUT THE CAPITAL CAMPAIGN

With your help, we can forever transform the lives of struggling veterans in our community. Interfaith's capital campaign, Lifting UP Our Neighbors, will permanently secure vital housing and shelters for the homeless, while simultaneously strengthening services for our entire community.

By retiring \$4.5 million in shelter and housing debt, Interfaith will save \$30,976 monthly, a total of more than \$370,000 each year, which can be redirected to strengthen and expand services for our those in need.

## DOLLAR FOR DOLLAR MATCH

The Leichtag Family Foundation has graciously approved a \$1 million challenge grant. With additional matching support from Betty & Melvin Cohn, a total match of \$1.4 million is now available. Every donation and pledge towards the campaign will be matched dollar for dollar.

## ABOUT VETERANS HOUSING

In July 2008, Interfaith opened a 72-bed transitional housing program for homeless male and female veterans in Oceanside. All residents receive comprehensive supportive services, including food, clothing, transportation, counseling, vocational services and job placement assistance, and disability income application assistance to help them achieve stability in transitional housing, their training, career and self-determination goals.

Program expenses include the cost of these services as well as a sizable monthly mortgage payment. Every dollar paid toward the monthly mortgage is a dollar lost for program services. As the capital debt is reduced, Interfaith will be able to enhance and strengthen services to our veterans, ensuring ongoing residential stability, increased skill level and/or income, and greater self determination for struggling veterans.

## Wall of Heroes

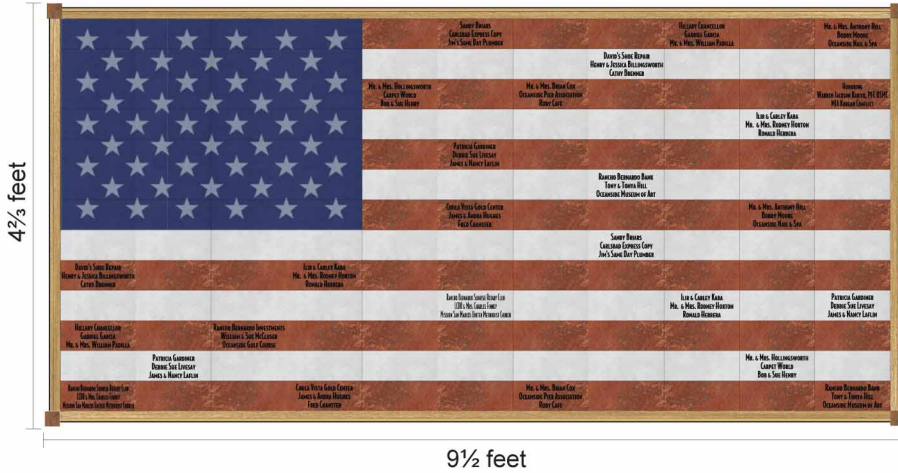

*Honoring Those Who Serve Our Country*

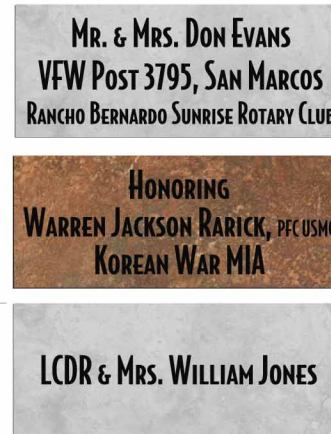

Among the lives changed by Interfaith's Veterans Housing is 28-year-old Marine Corps veteran Chris, seen here playing with his two-year-old son, Charlie. In 2008, Chris was faced with the very real and terrifying possibility of becoming homeless. Because of this program, today Chris is self-sufficient, pursuing his college degree, and enjoying many fatherly moments with his son.
