

Interfaith Community Services Group Volunteer Activities

Community Days

Groups participate in a variety of activities that directly impact our community. Ranging from painting and gardening at Interfaith's Family Housing units on Aster Street, to washing windows and pulling weeds for senior citizens.

Kitchen Server/Preparer

Volunteers prepare and serve meals to residents of Interfaith's homeless shelter for veterans. After meals are served, volunteers assist with cleanup and washing of dishes. It's a great way to work directly with the people you are helping!

Senior Services Home Beautification/Cleanup

Volunteers go to mobile home parks and assist seniors by clearing weeds, washing windows, and completing other maintenance/cleanup tasks as requested.

Adopt-A-Unit

Groups can adopt units – units that need to be refurbished – from carpet to kitchen to window sills! Groups can directly touch the lives of homeless individuals by helping us turn these apartments into warm and friendly homes.

Shelter meal

Our shelter are homes are residences that provides shelter for six homeless individuals. These people are able to rehabilitate and reintegrate into society while residing in a safe, healthy environment. Volunteers prepare a dinner for six people, and drop it off between 4:30 – 5:30 PM.

Cleanup and Organization Projects

Volunteers gather at Interfaith headquarters in Escondido and participate in several ongoing projects, including: warehouse organization, detailed kitchen cleaning, pantry organization, window washing, sidewalk cleaning, office maintenance, and other duties as requested.

Donation Drive

Using the Interfaith "Donation Needs" list, volunteers organize in-kind donation drives to collect items specific Interfaith programs.
