Interfaith’s behavioral health counselors and housing support staff meet with families in need to encourage and support them as they pursue structured goals. During counseling sessions, counselors use incentives - when individuals make progress towards goals, they are given tokens which can be used to “purchase” basic items.

You can help to encourage and reward those on the path to self-sufficiency by providing items for our Client Incentive Program.

**Impact:**
- Encourage positive behavior and a structured approach to goal attainment
- Promote a fun, safe way for individuals to be rewarded
- Assist families to reach goals through positive reinforcement

**Volunteers may donate NEW items such as:**
- Toys, games, and sporting equipment
- Gift cards
- Small appliances such as toasters or coffee makers
- Tickets for family activities such as bowling, movies, sporting events, etc.
- Household items like laundry detergent, hand soap, bath towels

**Time Commitment:**
- This can be a one-time opportunity, or an ongoing commitment
- Length of project varies depending on number of volunteers
