You can restore hope and dignity to the lives of six men or twelve women by providing a nutritious dinner for the residents of Tikkun Men’s Shelter or Corinne’s Women’s Shelter. Not only does a healthy and hearty home-cooked meal bring comfort to those facing homelessness, but it also shows them that our community cares about their well-being. Some of our shelters even have a fully-equipped kitchen where meals may be cooked or reheated with ease.

**Impact:**
- Offer basic nutritional assistance to those in need
- Provide comfort, joy, and hope during times of housing transition
- Aid in the empowerment of individuals by allowing them to focus on other responsibilities

**Key Responsibilities:**
- Prepare a meal for six to 12 shelter residents
- Deliver the meal between 3:30 pm and 5:30 pm on the assigned day
- Briefly meet and greet the shelter residents
- Maintain a high level of confidentiality

**Time Commitment:**
- This can be either a one-time opportunity, or an ongoing commitment
- Length of project varies depending on the number of volunteers and the number of meals being made
