Interfaith's veterans program helps those who have selflessly served our country get back on their feet in a variety of ways. Veterans are eligible to receive counseling and supportive services, employment training, housing, medical services, and hot meals. Often times, however, our veterans continue to need essential basic items.

By volunteering to make "Kits for Vets", you can help thank a veteran by providing the items they may need the most.

Impact:
- Empower veterans to pursue goals and achieve self-sufficiency
- Remind our veterans that our community cares about their well-being and success

Time Commitment:
- This can be a one-time opportunity, or an ongoing commitment
- Length of project varies depending on number of volunteers and number of kits being made

Volunteers are responsible for providing some or all of the following NEW items in each kit or bag:
- Socks and underwear
- Towels and washcloths
- Razors and shaving cream
- Nail care kits
- Twin-size sheets, blankets, and pillows
- Gift cards, phone cards, and gas cards
- USB flash drives
- Baseball hats, scarves, and gloves
