INDEPENDENT AUDITOR'S REPORT

Board of Directors
Interfaith Community Services, Inc.
Escondido, California

Opinion

We have audited the accompanying financial statements of Interfaith Community Services, Inc. (the "Organization"), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Interfaith Community Services, Inc., as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis of Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Interfaith Community Services, Inc., and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Interfaith Community Services, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Interfaith Community Services, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control—related matters that we identified during the audit.

Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations ("CFR") Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures

applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated May 12, 2023, on our consideration of Interfaith Community Services, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Interfaith Community Services, Inc.'s internal control over financial reporting and compliance.

Other Matter

Our audit was conducted for the purpose of an opinion on the financial statements on the Organization taken as a whole. The accompanying information for CASAworks Apartments 99-FMTW-010, statement of operations on page 37-38 and CASAworks Apartments 99-FMTW-010, statement of cash flows on page 39, are presented for purposes of additional analysis and are not a required part of the basic financial statements.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

INTERFAITH COMMUNITY SERVICES, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

NOTE A – ORGANIZATION

Nature of Activities

Interfaith Community Services, Inc. ("Interfaith" or the "Organization") empowers people in need to stabilize and improve their lives through comprehensive programs, in partnership with diverse faith communities and people of compassion. Interfaith offers an array of support for people in crisis who need to stabilize and rebuild their lives, providing a pathway towards self-sufficiency for over 17,000 individuals each year. From its origins in 1979 as a faith-supported community food pantry, Interfaith has grown to become the most comprehensive social services agency in North San Diego County, offering integrated, wrap-around services to thousands of community members each year, such as individuals experiencing homelessness, veterans, families, seniors, and low-income individuals. Interfaith's programs are organized into five areas: Self-Sufficiency and Supportive Services, Housing Services, Employment and Economic Development, Recovery and Wellness, and Clinical and Behavioral Health. Programs are designed to overlap to provide clients with access to as many resources as necessary for their individual situation.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Organization have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America ("GAAP"). The financial statements are presented in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 958 dated August 2016, and the provisions of the American Institute of Certified Public Accountants ("AICPA") "Audit and Accounting Guide for Not-for-Profit Organizations" (the "Guide"). ASC 958-205 was effective January 1, 2018.

Under the provisions of the Guide, net assets and revenues, and gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Organization and changes therein are classified as follows:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. The Organization's board may designate assets without restrictions for specific operational purposes from time to time.

INTERFAITH COMMUNITY SERVICES, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (CONTINUED)

Basis of Presentation – (Continued)

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Contributions

Unconditional contributions are recognized when pledged and recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Gifts of cash and other assets are reported with donor restricted support if they are received with donor stipulations that limit the use of the donated assets.

When a restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as net assets without donor restriction support. Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Contributions restricted for the acquisition of land, buildings, and equipment are reported as net assets without donor restriction upon acquisition of the assets and the assets are placed in service.

Measure of Operations

The statements of activities report all changes in net assets, including changes in net assets from operating and non-operating activities. Operating activities consist of those items attributable to the Organization's ongoing activities. Non-operating activities are limited to resources that generate return from investments, endowment contributions, financing costs, and other activities considered to be of a more unusual or nonrecurring nature.

Functional Expenses

Functional expenses are those expenses incurred by the Organization in the accomplishment of its stated mission. The cost of providing the various program and other activities of the Organization have been summarized on a functional basis in the statements of activities and statements of functional expenses. These statements report expenses that are attributed to more than one program or supporting function.

INTERFAITH COMMUNITY SERVICES, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (CONTINUED)

Functional Expenses – (Continued)

Functional expenses are allocated using the Organization's approved cost allocation plan and are both the legal obligations of the Organization and allowable under governing cost principles. These costs include labor and fringe benefits, utilities, legal/accounting, insurance, depreciation, and other miscellaneous costs. Personnel expenses are allocated based on auditable time records that reflect the actual activities of employees.

Use of Estimates

The preparation of financial statements in conformity with Accounting Principles Generally Accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect certain reported amount and disclosures. Accordingly, actual results could differ from those estimates.

Fair Value Measurements

The Organization defines fair value as the exchange price that would be received for an asset or paid for a liability in the principal or most advantageous market. The Organization applies fair value measurements to assets and liabilities that are required to be recorded at fair value under GAAP. Fair value measurement techniques maximize the use of observable inputs and minimize the use of unobservable inputs and are categorized in a fair value hierarchy based on the transparency of inputs. The three levels are defined as follows:

- Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the same term of the financial instrument.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. The carrying values of cash, receivables, and payable approximate fair value as of June 30, 2022 and 2021, due to the relative short maturities of these instruments.

Cash Equivalents

The Organization considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (CONTINUED)

Grants and Contracts Receivable

The grants and contracts receivable arise in the normal course of operations. It is the policy of management to review the outstanding receivable at year end, as well as the bad debt write-offs experienced in the past, and establish an allowance for doubtful accounts for uncollectible amounts. No allowance was considered necessary as of June 30, 2022 and 2021, because management believes that all amounts are collectible.

Promises to Give

Unconditional written pledges to the Organization in the future are recorded as promises to give and revenue in the year promised at the present value of expected cash flows, see Note F. Unconditional written pledges must be evidenced by donor signature and deemed legally enforceable by the Board of Directors. Conditional pledges are recognized as revenue when the conditions are met.

Intentions to pledge are recognized as revenue when the funds are actually received. After pledges are originally recorded, an allowance for uncollectible pledges may be established based on specific circumstances.

Investments

The Organization has investments held by the Jewish Community Foundation of San Diego, which are invested in various pools and are valued at the Organization's percentage interest in the total pools. As of June 30, 2022 and 2021, these pools included domestic and international equities, domestic and international fixed income, and other investments.

All investments have been recorded at fair market value using a market approach. The fair values of investments in securities traded on national exchanges are valued at the closing price on the last day of business of the fiscal year. The fair value of other investments is determined by investment managers in good faith using appropriate methods and are subject to oversight and review by the management of the Jewish Community Foundation of San Diego. Realized and unrealized gains and losses on investments are included in the change in net assets in the statements of activities.

Property and Equipment

Acquisitions of property and equipment of \$5,000 or more are capitalized. Property and equipment are stated at cost, or if donated, at the approximate fair market value at the date of donation. Expenditures for maintenance and repairs are charged against operations. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets from five to thirty-nine years.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (CONTINUED)

Grant and Contract Revenue

Revenue from grants and contracts are recognized to the extent of eligible costs incurred up to an amount not to exceed the total grant and contract authorized. Grants are evaluated as to whether they qualify as exchange transactions or contributions. As the grantor is not receiving a benefit as a result of these transactions, the grant and contract are considered to be contributions to the Organization. The grant and contract agreements contain spending requirements. As these stipulations create a barrier that must be achieved, grants and contract agreements are therefore recognized as revenue when costs are incurred and specific requirements are met, as required by the agreements.

Contributed Materials and Services

Contributed materials are recorded at their fair market value where an objective basis is available to measure their value. Such items are capitalized or charged to operations as appropriate. The fair market value of contributed professional services is reported as support and expensed in the period in which the services are performed.

In addition, the Organization receives a substantial amount of nonprofessional services donated by volunteers in carrying out the Organization's program services. These services do not meet the GAAP criteria as contributions and are, therefore, not recognized in the financial statements.

Income Taxes

The Organization is exempt from federal income and California franchise taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the California Revenue and Taxation Code, respectively.

All tax-exempt Organizations are subject to review and audit by federal, state, and other applicable agencies. Such agencies may review the taxability of unrelated business income, or the qualification of the Organization as a tax-exempt organization under Internal Revenue Code Section and applicable state statutes.

As of June 30, 2022, the federal statute of limitations remains open for the 2018 through 2022 tax years. The statute of limitations for the state income tax returns remains open for the 2018 through 2022 tax years.

New Accounting Pronouncement

In February 2016, the FASB issued Accounting Standard Update (“ASU”) 2016-02, Leases (Topic 842). The amendments in this ASU revise the accounting related to lessee accounting. Under the new guidance, lessees will be required to recognize a lease liability and a right-of-use (“ROU”) asset for all leases. The amendments in this ASU are effective for the annual reporting period ending December 31, 2022 for the Organization, with early adoption permitted, and should be applied through a modified retrospective transition approach for leases existing at, or entered into after, the beginning of the earliest comparative period presented in the financial statements. Management has not yet determined what the effects of adopting this ASU will be on its financial statements.

NOTE C – CONCENTRATION OF CREDIT RISK

The Organization maintains cash balances in bank accounts which, at times, exceed the federal insurable limit. The Organization has not experienced any losses from cash concentrations and management does not believe the Organization is exposed to any significant risk.

NOTE D – PREPAID EXPENSES AND OTHER CURRENT ASSETS

Prepaid expenses and other current assets consisted of the following at June 30:

NOTE E – UNAMORTIZED DONATED RENT

In January 2014, the Organization entered into a ten-year agreement to provide Veterans' services in exchange for free rent at 1617 Mission Avenue, Oceanside, CA. This agreement expires on January 30, 2024. The Organization began providing services at this location on April 1, 2014. The unamortized donated rent of \$46,488 represents the fair market value of the rent for the remaining 19 months of this agreement discounted by five percent.

NOTE L – PAYCHECK PROTECTION PROGRAM

There are two acceptable methods for accounting for Paycheck Protection Program (“PPP”) proceeds received under the Coronavirus Aid, Relief, and Economic Security Act (“CARES” Act). Entities can elect to treat the PPP proceeds as a loan payable. Loan forgiveness will be recognized when the conditions for loan forgiveness are met, and the forgiveness amount is formally approved by the bank and the U.S. Small Business Administration (“SBA”).

In May 2020, the Organization received a \$1,819,500 loan, pursuant to the CARES Act PPP. The loan was fully forgiven on July 28, 2021 with the terms of which are dictated by the SBA and CARES Act guidelines. The Organization has elected to account for the forgiven loan as a conditional contribution in accordance with Subtopic ASC 958-605-55. As a result, the Organization recorded a total benefit of \$1,841,932 which included accrued interest and is included in grant revenue on the statement of activities for the year ended June 30, 2022.

NOTE M – COMMITMENTS

The Organization has various copier leases requiring aggregate monthly lease payments of \$3,059 with various maturity dates through March 2026. Total lease expense was \$34,209 and \$27,885 for the years ended June 30, 2022 and 2021.

The Organization leases warehouse space which expires August 2025. The lease calls for monthly lease payments escalating annually from \$4,303 to \$5,610. Total lease expense was \$51,392 and \$49,931 for the years ended June 30, 2022 and 2021.

The Organization leases office space which expires November 2024. The monthly lease payment was \$2,094. Total lease expense was \$25,124 for the years ended June 30, 2022 and 2021.

In July 2021, the Organization entered into a lease agreement for office space which expires June 2023. The lease calls for monthly lease payments escalating annually from \$3,534 to \$6,715 through June 30, 2023. Total lease expense was \$49,476 for the year ended June 30, 2022.

NOTE N – CONTINGENCIES

Grants and Contracts

The Organization receives a significant portion of its revenue from government grants and contracts which are subject to audit.

No provision has been made for any liabilities that may arise from such audits since the amounts, if any, cannot be determined. Management believes that any liability which may result from these audits is not significant.

Repayment Contingency

The Organization received a contribution of \$463,907 in 2003 from the City of Escondido that was used to purchase its headquarters which is included in property and equipment in the statements of financial position. The contribution amount is to be repaid in the event that the property is sold or is no longer used for its designated purpose.

The Organization has not expressed intent to sell the property and plans to continue to operate the facility consistent with its designated purpose.

Litigation

In the normal course of operations, the Organization is occasionally named as a defendant in various lawsuits. It is the opinion of management and of legal counsel that the outcome of any pending lawsuits will not materially affect the operations or the financial position of the Organization.

NOTE Q – NET ASSETS WITH DONOR RESTRICTIONS-ENDOWMENT

The Organization's donor-restricted endowment consist of pooled funds at the Jewish Community Foundation of San Diego and is established for a variety of purposes, including to serve children's needs and those of their families. As required by GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Board of Directors of the Organization has interpreted the Uniform Prudent Management of Institutional Funds Act ("UPMIFA") as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary.

As a result of this interpretation, the Organization classified endowment as net assets with donor restrictions (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in net assets with donor restrictions is classified as net assets without donor restrictions until those amounts are appropriated for expenditure by the Organization in a manner that is consistent in accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- 1) The duration and preservation of the fund.
- 2) The purposes of the Organization and the donor-restricted endowment fund.
- 3) General economic conditions.
- 4) The possible effects of inflation and deflation.
- 5) The expected total return from income and the appreciation of investments.
- 6) Other resources of the Organization.
- 7) The investment policies of the Organization.

NOTE Q – NET ASSETS WITH DONOR RESTRICTIONS-ENDOWMENT – (CONTINUED)

Return Objectives and Risk Parameter

The Organization had adopted investment and spending policies for endowment assets that attempt to provide funding for the operating expenses of programs supported by its endowments. In order to limit risk exposure, account features such as asset allocation, diversity, duration of holding each security return on investment, and investment quality shall be applied, measured and reviewed.

Investment Strategy

The investment strategy of the Organization is to develop a diversified portfolio of active and passive investments. For equity investments, the selection of such holdings is based on the investments, the selection of such holdings is based on the merits of long-term ownership without the intent of short-term trading. To achieve investment objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends).

Spending Policy

The Organization has a policy of appropriating for distribution annually an amount equal to 5% of the average investment accounts balances as of the last twelve-quarter ending values. The Organization expects the current spending policy to allow its endowment to meet the needs of the Organization. This is consistent with the Organization's objective to provide funding for the operating expenses of programs as well as to provide additional real growth through new gifts and investment return.

NOTE R – BOARD DESIGNATED LONG-TERM

The Organization also has unrestricted funds held in a pooled account at the Jewish Community Foundation of San Diego. The Board of Directors has designated these funds to support the Organization for a long by unspecified period of time.

These funds are invested in a manner similar to the net assets with donor restrictions endowment. All earnings related to the board designated long-term funds are recorded in the undesignated net asset balance.

The Board designated long-term investments balance was \$4,246,063 as of June 30, 2022 and 2021.

NOTE S – SUBSEQUENT EVENTS

The Organization has evaluated subsequent events through May 12, 2023, which is the date the financial statements were available to be issued.

INTERFAITH COMMUNITY SERVICES, INC.
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
JUNE 30, 2022

NOTE A - BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal award activity of Interfaith Community Services, Inc., under programs of the federal government for the year ended June 30, 2022. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Interfaith Community Services, Inc., it is not intended to and does not present the financial position, changes in net assets, or cash flows of Interfaith Community Services, Inc.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass-through Organization identifying numbers are presented where available.

NOTE C - INDIRECT COST RATE

Interfaith Community Services, Inc. is using agreed upon indirect cost rates stipulated in its contracts and has elected not to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Audit Committee
Interfaith Community Services, Inc.
Escondido, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of Interfaith Community Services, Inc., (a non-profit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated May 12, 2023.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Interfaith Community Services, Inc.'s internal control over financial reporting to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Interfaith Community Services, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Interfaith Community Services, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Interfaith Community Services, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER
COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Audit Committee
Interfaith Community Services, Inc.
Escondido, California

Report on Compliance for Each Major Federal Program

We have audited Interfaith Community Services, Inc.'s, (a non-profit organization) compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each of Interfaith Community Services, Inc.'s major federal programs for the year ended June 30, 2022. Interfaith Community Services, Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Interfaith Community Services, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Interfaith Community Services, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Interfaith Community Services, Inc.'s compliance.

Opinion of Each Major Federal Program

In our opinion, Interfaith Community Services, Inc., complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

Report on Internal Control over Compliance

Management of Interfaith Community Services, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Interfaith Community Services, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Interfaith Community Services, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Internal Control over Compliance – (Continued)

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
