All of Interfaith's comprehensive services are available to seniors in need; however, Interfaith also provides specialized services and case management to empower vulnerable seniors to maintain independent and thriving lives. The goal is to build a community among seniors, while simultaneously enhancing their wellness and food security as they age.

Minor Home Repair
Operating throughout North County, Interfaith staff and volunteers assist in making minor home repairs for qualified seniors. These repairs, such as fixing leaky faucets, repairing screen doors and windows, or installing grab bars or smoke alarms, make it easier and safer for seniors to stay in their own homes.

“How R U?” Calls
Interfaith’s “How R U?” Calls program offers free, daily phone calls to check on participating seniors. If a call is not answered, volunteers will go into action by calling next door neighbors, relatives, or emergency personnel (if necessary), to do a welfare check. These “How R U?” calls bring peace of mind to our seniors and their families.

Supportive Services
Trained client advocates offer social services and referrals to seniors in need. Support services may include emergency financial support to ensure seniors can remain independent and self-sufficient.

Senior Connections Lunches
North County Senior Connections lunches provide a social environment for seniors, while enhancing their wellness and food security. Locations are strategically located throughout North County San Diego at mobile home communities and faith centers. In addition to healthy, prepared-to-order meals, each lunch includes educational speakers and/or entertainment.
