Housing 1000 Announcement & Recent News

Just 12 months ago, Interfaith Community Services pledged to house 1,000 men, women, and children. Achieving this goal would nearly double the 583 individuals housed over the same time period the year before.

Interfaith staff and volunteers accepted the challenge, and because of your incredible support, we are proud to announce that we surpassed our original goal!

In fact, YOU housed 1,198 men, women, and children, including 167 veterans!

No matter what role you played in this success as an individual, family, faith community, organization, business, or foundation, *please accept our most sincere thanks.*

4-Star Rating, 4 Years in a Row!

Interfaith has been rated as a 4-Star organization on Charity Navigator for the fourth year in a row; only 14% of charities can say that! This is the highest possible rating and indicates that Interfaith adheres to best practices in accountability and financial efficiency when carrying out our mission.
