FOR IMMEDIATE RELEASE (March 10, 2021)

Interfaith Community Services is proud to announce our new *Abraham and Lillian Turk Recuperative Care Center*, projected to be completed in 2021

Please join us **Thursday, March 25th 11 AM-Noon** for a **virtual tour** with Greg Anglea, Interfaith CEO, that will include a behind-the-scenes look at our new, transformational project providing a pathway to stable housing for our most vulnerable neighbors. **RSVP TODAY:** Details sent upon registration. **Learn more:** www.interfaithservices.org/turkcenter

In 2019, the San Diego County Board of Supervisors voted unanimously to award Interfaith a \$6,000,000 capital grant to expand our proven-effective Recuperative Care program and create a Graduate Lodging program. Interfaith leveraged these County funds with local community donations to purchase a **former 77-room motel located across the street from our Escondido headquarters. With construction currently underway, we are transforming** the former motel into a place of healing and restoration for our local neighbors working to overcome homelessness and rebuild their lives. The new *Abraham and Lillian Turk Recuperative Care Center* will become the home of the Interfaith Post-Hospitalization Recuperative Care program and the new Interfaith Graduate Temporary Lodging program.

About Interfaith Community Services

As North County's largest social services agency, Interfaith Community Services (Interfaith) has been "helping people help themselves" since 1979. The organization provides a wide range of programs designed to empower hungry, homeless, and low-income community members to begin a pathway towards self-sufficiency. Each year, Interfaith Community Services impacts more than 20,000 community members by providing basic needs and nutrition support, social services, shelters and housing, employment development, youth programs, senior services, veterans programs and addiction recovery support.
